EXPERIENCE

National Sun Yat-sen University / Administrative Assistant

Kaohsiung, Taiwan | Sep. 2016 - Dec. 2017

Implemented statistical analysis and data visualization of administrative data. Designed posters for campus-scale exhibitions, arising event awareness and increasing 20% annual visiting rate. Resolved students' problems with MS Office software and antivirus software installation.

Microsoft / Intern for Microsoft Student Partner Program

Taipei, Taiwan | July 2016 - June 2017

Identified college student developers' needs and organized IT seminars regarding website development tools on campus. Promoted and lectured Xamarin Studio Workshops, increasing annual platform registration rate by 40% than previous year. Designed recruitment campaigns and arranged interviews for 50 new internship applicants.

Adventrip / Frontend Engineer

Kaohsiung, Taiwan | Spring 2017

Translated prototypes from experienced graphic designers, updated front-end CSS for an interactive website, and effectively increased overall working efficiency by 50%. Conducted UX interviews with users to help engineers adjust the system flow from a user-centric perspective.

Kaohsiung Rapid Transit Co. / Frontend Engineer

Kaohsiung, Taiwan | Oct. 2015 - Mar. 2016

Implemented frontend UI for 2016 Corporate Image Filming Competition official website. Communicated directly with project manager, visual designer and database engineer.

ACTIVITIES

National Website Competition / Competition Organizer

Kaohsiung, Taiwan | Dec. 2015 - May 2016

Chaired a 15-people team, planned the competition schedule.

Organized grading activities, partnered with local IT educational institutes.

Information Management Department / Public Relation Manager

National Sun Yat-sen University | Sep. 2015 - June 2016

Maintained and enhanced relationships between student association and faculties by arranging activities for holidays and sports events.

Hosted a capstone project presentation event involved 200+ attendees.
